agenda item proposals

List here agenda items for the 2nd hour and for future xtUML Steering Committee meetings.

- Rob Day: "Community" (fostering, portals, etc)
- Dave A: promotional materials, metrics, benchmarks, experience reports
- Clive: may have some literature to contribute if given an appropriate channel
- Marc: Marc will investigate re-publishing Mellor-Balcer somehow. (Marc)
- Marc mentioned Dave Farley "Reactive Systems" youtube video.
- Finish publishing the youtube videos from xtUML Days 2021. (Cort)
- Note that there is an xtUML channel on youtube which narrows the search for many demo videos and presentations.
- **We need to better leverage our volunteers in the community.**
- Allan suggested "republishing / repackaging" Method materials for Gen Z.
- Allan suggested papers to explain using the S-M idiom in each modeling tool on hand (EA, Rhapsody, MagicDraw, etc).
